DICAS

Apresentação

Durante a realização do III Encontro de Dirigentes de Cursos e Comissários Distritais, realizado no Parque Saint Hilaire, constatou-se a necessidade de dar-se subsídios aos Chefes de Tropa para a realização das Programações Semanais. Contudo na oportunidade chegou-se a conclusão comum de que não poderíamos cair no erro da "Receita de Bolo", ou seja, dar aos chefes programas prontos. Caíriam então eles no acomodamente, fatalmente não mais usando sua imaginação que é fértil.

Como vivemos numa época em que a Televisão limitou nosso Qc (Quoeficiente de Criatividade) e naturalmente estamos hoje a cata de prefabricados, mais uma razão para não imprimirmos programas prontos. Através de esquemas que poderão ser obtidos em literatura que obedecem ao Sistema Progressivo o chefe utilizando seu Quoeficiente de Criatividade poderá organizar uma Programação digna de seus Escoteiros.

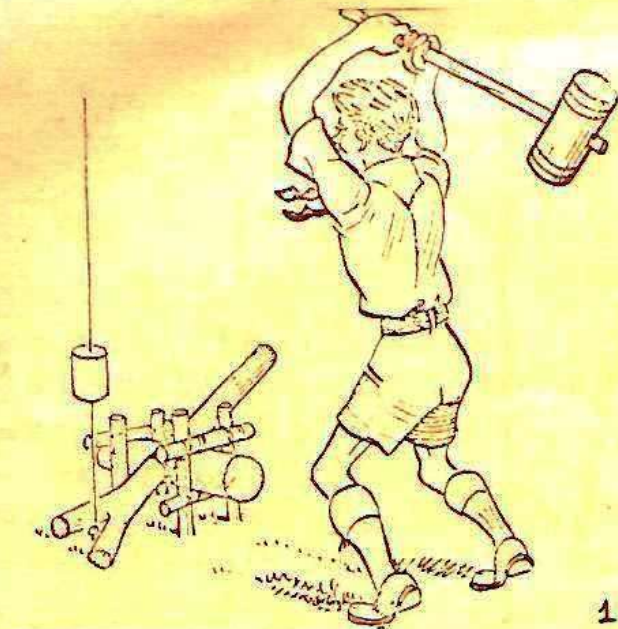

Para auxiliar a tarefa do Chefe de Tropa da Akela e do Chefe de Tropa Senior a Região do Rio Grande do Sul, através de sua Loja Escoteira criou este folheto intitulado "Cem Dicas". Este será certamente o primeiro de uma série que de tempos em tempos colocaremos a disposição dos Escotistas, podendo inclusive ser elemento para os próprios Escoteiros na organização de seus Programas de Patrulha.

Na certeza de que estes folhetos serão de grande valia para a orientação das programações em seus diversos níveis nos despedimos escoteiramente.

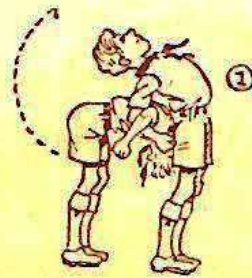

Sempre Alerta para Servir
